KPHMS Examinations

Unlike any other examination board and in the interests of flexibility the music played in KPHMS examinations can be from the ABRSM, Trinity Guildhall or KPHMS syllabuses. The only stipulation is that it must be on the syllabus for the chosen instrument, at the chosen grade. An accompanist is also provided. For further details, please see Sharon or visit

Notes from the Musical Director

Firstly, from what seems like an age ago, I would like to thank you all for your hard work in the run up to the area contest. Whilst neither ;) of our results were quite what we were hoping for, we did play very well, with very few lapses in intonation. The main criticism, from only one of the adjudicators, was just that our p and pp dynamics were not quiet enough. Overall, this was a good step up from previous areas and my hope was to build on this during the spring and summer in readiness for Leicester BBA contest and next year's NEMBBA and area contests. However.....

The only consolation I have from not being able to attend band is that I know you are all practicing hard at home, eagerly waiting for the time when we can return to rehearsing :). I have emailed out various pieces for you to look at which I hope are more interesting than practising accompaniment parts all day. Please keep checking your intonation with a tuner every so often (there are several apps available for your phone), and maybe this is a good opportunity to practice p and pp for next year's area? For members of the training band, please also look at the pieces we were working on in rehearsal; one day we will get to play them out!

For members in our beginners' group, please keep working through Abracadabra: the target is lesson 48, but it will do you no harm to keep going beyond that. If you have any other music, play that as well. Reading and playing a variety of music is the best way to progress and maybe some of you will be ready to join the training band when we start up again!

Finally, if any of you want a free lesson over Messenger, or Skype, etc. please let me know (sharon.stansfield@outlook.com), and if any of you want to take this time to work for one of your grade exams or want some different music to play, please let me know and I will try and sort some music for you.

Keep safe, hopefully free of Covid-19, and I look forward to seeing you all again when this is all over! With very best wishes

Sharon xx

Adjudicator's Comments

Brian Rostron

Confident to open. All the soloists do well. 2nd bar of **A** not together. 12/8 a tad heavy. **C** Good flug horn & sop. **E** needs a tad more drive. **F** to **G** some fair playing here. **7/4** well balanced. **H** once again a good balance. **7/4** sop & horn v. good! **I** a good mixture of sounds. **3/4** Good rhythm here. **6 before L** good basses. **M** all accents heard. **N** better balanced sounds here. Semis into **O** untidy. **4/4** What a good dynamic. Solo horn a tad insipid! Eb & Euph v. good. Flug into **Q** good. Euph cadenza played with aplomb! Horn & Bari good in there but poco rall out of tune. **S** Good sounds & style solo cornet. **T** more tenuto please. **4/4** build upto **U** just right. **U** not balanced! **V** to end build up crescendo just right. Great last chord.

Overall, you had some creditable moments with a good mixture of sounds and balance.

James Holt

Confident entries to open. **A** little strident for 'p'. Flugel and Bari do well. **A** Good muted sounds noted, again a little confident for 'p'. **IS** has same style but would benefit from a slightly lighter touch. **C** Good dynamic contrasts here and horn and sop do well. **D** Again confident for 'p' but the music builds well to 50 and the full band sound is well balanced. **F** Builds well and rhythmic accuracy is evident here. **65** Well balanced section sounds here and a nice control of dynamics. **81** Nice soprano here and then **I** has same good style and the music builds well throughout this section to **J. 97** I like the style here, really produces the right feel. **K** Good sop and bass tromb. **L** Contrasts well and the legato sounds come through well. **M** Lots of rhythmic detail and accuracy of articulation evident. **N** Nice full band sound here, well done! **O** is confident for 'p' and inner cornet and tromb have some intonation issues. **175** A very good attempt with muted sounds here and soloists do very well. **Q** has a nice sonore feel – euphonium plays with style as do horn and baritone. **R** not rhythmically consistent and some intonation in cornets detracts here. **207** is loud for 'pp' some tasteful cornet playing, well done. **220** Poco marcato could come out more here. **226** Mice mf sound here, built to **U** is well controlled. **U** moves well and the close is very well handled.

Overall some moments of quality evident here mixed with some inconsistencies – work on developing the dynamic range. Thank you band and MD.

HQ2 Official Opening

The official opening of HQ2 on Saturday 21st March was attended by Deputy Mayor Valerie Custance, Councillors Roland Hosker (band vice-president), Keith Miller, and prospective M.P.s for Erewash Catherin Atkinson and Maggie Throup, and was a great success.

The senior and training bands gave a short joint concert to our guests, after which our former band-member and new landlord, Pete Dawson, open the Dawson room, where our beginners' group gave a short performance. Deputy-Mayor Val Custance and Pete Dawson then opened our new band room, where we provided a buffet to our guests. The senior and training bands then returned to our concert room, where Deputy Mayor Valerie Custance conducted a repeat performance of Instant Concert.

Len Cowley

The band thanks our vice-president Len Cowley for a further donation of £200 to band funds.

The End of Era And The Start Of A New

This concert also marked the end of 150 years of secular banding within Long Eaton: our band (the first in Long Eaton) formed as the Long Eaton Temperance Band in the 1860s before leaving the Temperance Society and reforming as the Silver Prize Band in 1906/7. The Long Eaton Salvation Army Band is now the last brass band based in Long Eaton.

However, we are now the first Sandiacre based brass band since the demise of the Sandiacre Brass Band in the 1930s and the performance by the training band at St. Giles' Spring and Plant Fair will be the first concert in Sandiacre by a Sandiacre based brass band for over 80 years.
