Band Room News

Erewash Film Society

The Erewash Film Society has decided to close and has donated their residual bank balance of £350 to the band. The band wish to express their thanks again for the generosity of the film club to the band following the closure of the Silver Prize Band Social Club, when 19 members of the society donated some of or their entire share of the residual assets of the club, totalling £5,566.90, to the band, and for their subsequent annual donations to the band.

Covid Restrictions Within Band

We have decided to remain cautious with the lifting of national restrictions and retain our Covid-secure procedures within the band room for as long as possible. This includes sitting people on alternate chairs to maintain distancing, although as more people return, it is inevitable that some people will have to sit next to another again. Please let Rob know if this is a problem and we will try to rearrange the seating accordingly. Many in the band have now received both vaccination jabs.

Rehearsal Attendance

There are still a few people who have not let us know when (or if) they are returning to band. If you have not yet contacted us, please email dr.robert.stansfield@outlook.com<mailto:dr.robert.stansfield@outlook.com> with your intentions. We are not trying to force anyone back to band before they are ready, but we do need to know band numbers (particularly in the training band) so that we can allocate parts to players for future concerts (Christmas is coming!).

if you have decided to leave, please will you return all your band equipment (instrument, music, jackets, mutes, etc.) on a Monday or Wednesday evening: we may need it for recruits from our open day!

Derbyshire County Council

The band are most grateful to Derbyshire County Council who have awarded the band a grant of £1,500 for enhancing our outdoor performances. This includes monies for music lyres, percussion, waterproof music covers, new music and transport bags with wheels.

Derbyshire Beacon of Hope

The band are honoured to have been awarded the Derbyshire Beacon of Hope award for the community playing by our members during the pandemic.

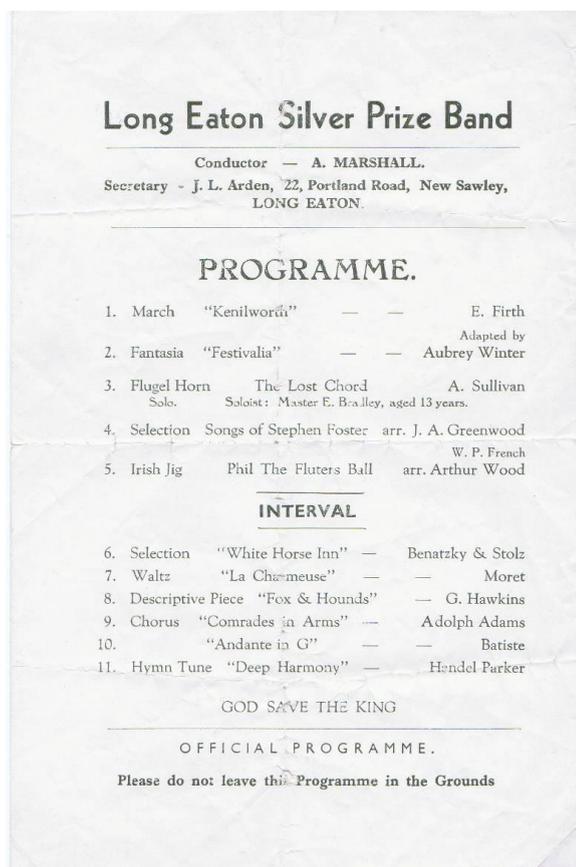

Erewash Borough Council

The band are most grateful to Erewash Borough Council for a grant for £470 for an open day/recruitment day, which we will be holding in September. This includes monies for training band and beginner band music, posters and advertising, refreshments, hand-held percussion, and cleaning materials (so we a COVID secure).

The idea of this day is to give both lapsed and potential new players (adults and children) a chance to come to the band and try out some instruments (we have plenty of spare instruments) or percussion and maybe then join the band. I would also like a few of the training band to play during the day to give them an idea of what the band is like.

Ted Bradley

This year Ted completes 75 years in banding, 47 years of which have been with Long Eaton. It is a long time since this flugel solo:

Sharon Stansfield

This year Sharon completes 50 years in banding, 30 years of which have been with Long Eaton (9 as a player and 21 as the M.D.).

Notes from the Musical Director

The band has been fortunate to gain nearly £2,000 in grants from the Erewash and Derbyshire councils for enhancing our outdoor performances and holding an open day. Please let me know if you have any ideas for music (including Christmas music).

Rehearsals in the senior band are going well: we are almost back to full strength and the standard of playing is much higher than I expected after such a long layoff (thank you for all your home practice 😊). We have some way to go before we are back to pre-Covid standards; principally we need to learn how to play together as a band again rather than as individuals. Sadly, our concert at Breadsall was cancelled due to the extension of the Covid restrictions; however, we were delighted to be invited to play in Rob Guest's garden that weekend as part of his 60th birthday celebrations.

Rehearsals in the training band are also going well, although numbers are a little depleted with a few players leaving or delaying their return to band, especially in the lower brass where we were already short of players pre-Covid, and, for the first time in many years, back row cornets. Hopefully, our open day will help recruit some new players! We are delighted to welcome Francesca back to the training band, whilst her son Henry has joined our beginners' group along with Ruben (Lindsay's son) and Dave Brown (a former bugle player). James reports that all three are making quick progress and should be moving up to the training band soon.

Thank you to James for taking rehearsals whilst I was on holiday, although we had to cancel some rehearsals due to people self-isolating. Hopefully we are now over the worst. We have been very fortunate in that so few in the band have caught Covid, and that so far no-one has developed the debilitating effects of Long-Covid.

With the ending of all restrictions, we will hope to gain some more bookings for our autumn season. If not, there is our open day to look forward to, I hope to arrange a memorial concert for those who we have lost during lock down, and we could run our solo, duet and quartet competition again if there is interest.

KPHMS Examinations

Unlike any other examination board and in the interests of flexibility the music played in KPHMS examinations can be from the ABRSM, Trinity Guildhall or KPHMS syllabuses. The only stipulation is that it must be on the syllabus for the chosen instrument, at the chosen grade. An accompanist is also provided. For further details, please see Sharon or visit

We have sold 204 CDs so far and have gone laminated (that's one up on plastic)! However we still have 757 to sell (and we can order more if we need to) so please keep pestering your friends (and strangers!) to buy some: only £8 each, or only £6 to members.

Christmas is coming soon and if any member of your family doesn't have one our CDs by December 25th, it means that you don't love them!
